I am working on my essay. I need to find some research to prove my point that people should not give others assumption, stereotype could be wrong sometimes. But I did not find any helpful research. Do you know what key words should I search?

Interesting topic! What types of keywords have you been using so far?

15:10:54 2015/12/08 (GMT -0500)
stereotype, assumption, wrong

15:11:41 2015/12/08 (GMT -0500)
Those are good words to start with. I was just trying some sample searches with stereotyping, harmful, prejudice...

I'm finding good results, but it might help if we could narrow our focus a bit.

Are you writing about stereotyping of a particular type, such as age, religion, or ethnicity?

15:13:14 2015/12/08 (GMT -0500)
race

15:14:46 2015/12/08 (GMT -0500)
Ok, and are there any harmful effects in particular that you're focusing on in your essay?

(About why stereotypes/assumptions are wrong)

15:15:20 2015/12/08 (GMT -0500)
I want to let others know that our stereotype could be wrong. People are different by the out looking but we still can not give assumption about them before we actually know who
 they are

Yes, I am totally with you there! Perhaps as you continue your research a few key reasons will stand out for why you want to argue against this. That will be helpful to look out for.

15:18:09 2015/12/08 (GMT -0500)

For now, we can start with finding sources about stereotyping related to race...

15:18:15 2015/12/08 (GMT -0500)

so should I try to use those key words that you said earlier?

15:18:21 2015/12/08 (GMT -0500)

ok

Joelle Hannert

NORTHWESTERN MICHIGAN COL (Mich_A)

15:18:59 2015/12/08 (GMT -0500)

Yes, you could start with a general search for sources on stereotyping with a search like this: stereotyping and prejudice harm

Joelle Hannert

NORTHWESTERN MICHIGAN COL (Mich_A)

15:19:24 2015/12/08 (GMT -0500)

Then, you could add keywords about race into the mix:

15:19:42 2015/12/08 (GMT -0500)

race, ethnicity, or specific races

15:19:44 2015/12/08 (GMT -0500)

ok

15:22:24 2015/12/08 (GMT -0500)

Then, as you get deeper into your research, you may find other concepts that you want to search for - reasons why stereotyping could be wrong.

I'm looking at the table of contents right now, and I think that part four could be useful to you in pin-pointing some ideas about why stereotyping is wrong.
